This is an agreement between Barrington Rehabilitation, as creditor, and the Patient/Debtor named on this form.

In this agreement the words "you," "your," and "yours" mean the Patient/Debtor. The word "account" means the account that has been established in your name to which charges are made and payments credited. The words "we," "us," and "our" refer to Barrington Rehabilitation.

By executing this agreement, you are agreeing to pay for all services that are received.

Monthly Statement: If you have a balance on your account, we will send you a monthly statement. It will show separately the previous balance, any new charges to the account, the finance charge, if any, and any payments or credits applied to your account during the month.

Payment options if you have insurance: You choose to pay your deductible of \$_____ and any out-of-pocket portions at the time services are rendered by ___cash ___check or ___credit card.

Payment options if you have no insurance: You choose to pay by ___cash ___check or ___credit card on the day that treatment is rendered.

Payments: Unless other arrangements are approved by us in writing, the balance on your statement is due and payable when the statement is issued, and is past due if not paid by the end of the month.

Required payments: Any co-payments required by an insurance company must be paid at the time of service. Because this is an insurance requirement, we cannot bill you for these.

Charges to Account: We shall have the right to cancel your privilege to make charges against your account at any time. Future visits would then need to be paid at the time of service.

Contracted Insurance: If we are contracted with your insurance company, we must follow our contract and their requirements. If you have a co-pay or deductible, you must pay that at the time of service. It is the insurance company that makes the final determination of your eligibility. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower payment from the insurance company.

Non-contracted Insurance: Insurance is a contract between you and your insurance company. We are NOT a party to this contract, in most cases. We will bill your primary insurance company as a courtesy to you. Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility. You agree to pay any portion of the charges not covered by insurance. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower payment from the insurance company.

Returned checks: There is a fee (currently \$25) for any checks returned by the bank.

Missed appointment fee: Patients who do not show for an appointment, or do not cancel by midnight the night before will be charged a \$25 fee. This fee must be paid on the next visit or before a new appointment is scheduled. Patients with three missed appointments will be discharged.

Finance Charge: A finance charge will be imposed on each item of your account which has not been paid within thirty (30) days of the time the item was added to the account. The **FINANCE CHARGE** will be computed at the rate of one percent (1%) per month or an **ANNUAL PERCENTAGE RATE** of twelve (12%) percent. The finance charge on your account is computed by applying the periodic rate (1%) to the overdue balance of your account. The overdue balance of your account is calculated by taking the balance owed thirty (30) days ago, and then subtracting any payments or credits applied to the account during that time. The minimum Finance Charge is \$.50.

Credit History: You give us permission to check your credit and employment history and to answer questions about your credit experience with us. We have the option to report your account status to any credit reporting agency such as a credit bureau.

Past due accounts: If your account becomes past due, we will take necessary steps to collect this debt. If we have to refer your account to a collection agency, you agree to pay all of the collection costs which are incurred. If we have to refer collection of the balance to a lawyer, you agree to pay all lawyers' fees which we incur plus all court costs. In case of suit, you agree the venue shall be in Lake County, Illinois.

Waiver of confidentiality: You understand if this account is submitted to an attorney or collection agency, if we have to litigate in court, or if your past due status is reported to a credit reporting agency, the fact that you received treatment at our office may become a matter of public record.

Divorce: In case of divorce or separation, the party responsible for the account prior to the divorce or separation remains responsible for the account. After a divorce or separation, the parent authorizing treatment for a child will be the parent responsible for those subsequent charges. If the divorce decree requires the other parent to pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from the other parent.

Transferring of Records: You will need to request in writing, and pay a reasonable copying fee if you want to have copies of your records sent to another doctor or organization. The amount of the fee is dependent on the number of pages we need to copy. You authorize us to include all relevant information, including your payment history. If you are requesting your records to be transferred from another doctor or organization to us, you authorize us to receive all relevant information, including your payment history.

Workers Compensation: We require written approval/authorization by your employer and/or workers compensation carrier prior to your initial visit. If your claim is denied, you will be responsible for payment in full.

Auto claims: If you have been in a motor vehicle accident, we require that you first allow us to bill your auto med-pay. If your medical pay has been exhausted on your policy or if you do not have medical pay, we will then bill your health insurance provided we receive an exhaustion letter from your auto insurance carrier. We cannot bill the third party insurance. We cannot bill your attorney for charges incurred due to a MVA injury case. If you do not have auto or health insurance, payment in full is expected at the time of service.

Personal Injury: If you are being treated as part of a personal injury lawsuit or claim, we require verification from your attorney prior to your initial visit. In addition to this verification, we require that you allow us to bill your health insurance. In the absence of insurance, other financial arrangements may be discussed. Payment of the bill remains the patient's responsibility. We cannot bill your attorney for charges incurred due to a personal injury case.

Co-signature: If this or another Financial Policy is signed by another person, that co-signature remains in effect until canceled in writing. If written cancellation is received, it becomes effective with any subsequent charges.

Effective Date: Once you have signed this agreement, you agree to all of the terms and conditions contained herein and the agreement will be in full force and effect.
